

# Compostability and Biodegradability, Standards and Certifications Summary

**Certification**

**Test Standards  
(USA)**

**Equivalent Standard  
(International)**

**Certifying  
Bodies**

**Industrial  
Compost**

ASTM D6400

EN 13432

**Home  
Compost**

Currently no American test standard in place

AS 5810  
NF T 51800  
prEN 17427

**Landfill  
Biodegradation**

ASTM D5526

Currently no EN test standard in place that is equivalent to D5526

Currently there is no certification that is specific to landfill biodegradation

**Marine  
Biodegradation**

ASTM D6691

ISO 18830  
(International)

OECD 202  
OECD 306

**Soil  
Biodegradation**

Currently no American test standard in place

EN 13432  
EN 14995  
(Europe)

ISO 11266  
(International)

**Water  
Biodegradation**

Currently no American test standard in place

EN 13432  
EN 14995  
(Europe)

ISO 9408  
ISO 9439  
(International)  
OECD 301 C
